ADMISSION.

Candidates for admission to the Freshman Class are examined in Adam's or Stoddard's Latin Grammar, Virgil, Cicero's Select Orations, Sallust or Cæsar's Commentaries, Writing of Latin, the Greek Grammar of Sophocles or Kühner (translated by Edwards), the Greek of the four Gospels, Jacob's Greek Reader or an equivalent, Webster's or Murray's English Grammar, and Arithmetic.

Candidates for a higher standing are examined in the same, and also in the part of the Course of Study in College gone over by the Class to which they may desire admission.

The stated times for examination are the Wednesday preceding Commencement, and the first day of the following Term. But Candidates may be examined and admitted at other times in the year, excepting that no admission to the Senior Class is allowed later than the beginning of the second term.

Previously to examination the Candidate must exhibit satisfactory testimonials, that he sustains a good moral character. If he has been a member of any other College, he will be expected to present a certificate of regular dismissal.

No one can be admitted to the Freshman Class until he has completed his fourteenth year ; and no one to an advanced standing without a corresponding increase of age.

There are three regular Recitations or Lectures daily, excepting Wednesdays and Saturdays, on which there are two.

On every Wednesday afternoon is a public Exercise in Declamation, in which the classes speak by divisions, and for which they are prepared by a private rehearsal before the Professor of Rhetoric. Seniors and Juniors deliver original Compositions.

There is a Biblical Exercise in the several classes once each week. These recitations are accompanied by familiar Lectures from the Instructors.

Public Worship is attended in the Chapel every sabbath; and Prayers every morning and evening.—One evening each week is a Religious Service by the President or one of the Professors, at which all the Students are invited to attend.

LECTURES.

1. On Chemistry, the third term.
2. Botany, and Geology, the third term.
3. Rhetoric, Oratory and English Literature, each term.
4. Natural Philosophy, each term.
5. Classical Literature or Antiquities, each Term.

8. Natural Theology, embracing Zoology, and Anatomy and Physiology with the use of the Manikin, first and second Terms.

EXAMINATIONS.

1. Of all Classes, at or near the close of the first and second Terms.
2. Of the Senior Class, four weeks preceding Commencement.
3. Of the three Lower Classes on the week preceding Commencement.

A Committee of Examination is annually appointed who make a report to the Trustees. A record is kept by the Faculty, of the

attainments of every student, and also of his delinquencies. Information concerning his proficiency and deportment is, when requested, communicated to the parent or guardian.

PUBLIC PERFORMANCES.

1. Exhibitions, in the second and third Terms.
2. Declamation on Tuesday evening preceding commencement.
3. Commencement on the second Thursday of August.

On the day preceding Commencement several public Orations or Addresses are usually delivered before Societies connected with the College, by gentlemen invited from abroad.

VACATIONS.

1. Four weeks from Commencement.
2. Six weeks from the Wednesday preceding the annual State Thanksgiving.
3. Three weeks from the third Wednesday of April.

Such students as are obliged by their circumstances to teach school in winter, are allowed to be absent for the purpose.

EXPENSES.

The following are the principal necessary expenses, exclusive of vacations.

Tuition, \$11.00 per Term,	\$33.00	\$33.00
Room Rent, \$3.00 per Term,	9.00	9.00
Recitation Rooms, and Ordinary Incidentals, \$2.00 per Term,	6.00	6.00
Fuel and Lights from \$9.00 to \$11.00,	9.00	11.00
Board, lowest price in Companies, \$1.00 per week ; highest price in Families, \$2.00 per week ; mak- ing per year of <i>thirty-nine</i> weeks,	39.00	78.00
Good Board in Families may be had at \$1.50 per week.		

The expense for Fuel and Lights is estimated on the supposition that two students occupy the same room.

A small charge, additional to the regular Tuition, is requisite the third Term of the Sophomore year, for the instruction in French, and one of the terms of Junior or Senior year, for the Lectures on Anatomy.

In case of admission to an advanced standing, a fee of five dollars

and fifty cents per Term, which is one half of the regular charge for Tuition, will be required, unless such standing shall have been obtained in another College.

There are some expenses, which result from taxes voluntarily imposed by the classes or societies. These, and expenses for furniture, stationery, &c., will vary according to circumstances and the character and habits of the student.

In incidental expenses, if the parent or guardian furnishes money, or authorizes the contracting of debts, a student may be very extravagant. To guard against this, parents often deposit funds with some one approved by the Faculty, who for a trifling charge will give particular attention to the pecuniary affairs of the student, and render an account of expenditures.

It is earnestly recommended to all parents and guardians not to authorize the obtaining of credit, and not to pay debts unauthorized

PAYMENTS.

The amount of the first Term Bill must be paid by each student on his admission. Each subsequent Term Bill becomes due at the close of the Term for which it is assessed. A bond with satisfactory surety for the payment of all the College Bills must be given by each student to the Treasurer, at the commencement of the term when he enters.

ASSISTANCE TO BENEFICIARIES.

The Term-Bills of beneficiaries of Charitable Associations and other indigent pious youth preparing for the Christian Ministry, are ALMOST ENTIRELY PAID from the fund appropriated to that purpose. A number of indigent students are gratuitously supplied in part with furniture.

CABINET AND LIBRARIES.

The Libraries of the College and the Literary Societies contain about 15,000 volumes. The College Library is accessible to all the students, and the charge to each is according to the use he may make of the books. The Libraries belonging to the three Literary Societies, are accessible to the members of the Societies, according to regulations established by themselves.

The Society of Inquiry has a small Library and a Museum.

The Natural History Society have a Cabinet of over 3000 specimens in Mineralogy, Geology, and Zoology.
